

## Learning in Harmony Trust agrees to STPCD pay recommendation on all pay scales

### **NASUWT Pay Claim to Learning in Harmony Trust (LIHT) – Cost of Living Pay Rise for all Teachers**

Last term LIHT followed the recommendation from the STPCD and paid staff:

- 3.5% on the Main Scale on all points of the scale
- 2% on the Upper Pay Scale on all points of the scale
- 2% on the Leadership Pay Scale (exceeding STRB rate)
- 2% on all allowances.

The NASUWT submitted a pay claim to LIHT calling on them to offer a substantial above-inflation pay award which will address the recruitment and retention crisis. Teachers have lost out on pay in real terms by over 17% since 2011.

The NASUWT is disappointed that the Secretary of State for Education, Damian Hinds, did not recommend a 3.5% increase on all points of the scale as recommended by the independent School Teachers' Review Body.

The NASUWT Pay Claim is available at: [www.nasuwt.org.uk/learninginharmony](http://www.nasuwt.org.uk/learninginharmony).

### **Become an NASUWT Workplace Representative**

The NASUWT Workplace Representative is a vital role in improving conditions for teachers, particularly important at this time of increased workload, constant change and pressure on the teaching profession.

As a Workplace Representative, you are entitled to time out for training, and would receive two days of training. This will inform you of your rights as an employee and give you the opportunity to contribute to consultations and negotiations around school policies, workload and working practices.

Call us today on 03330 145550 to find out more about the role.

“My training as a Workplace Representative has informed me of our rights as teachers. I feel empowered to raise issues on behalf of NASUWT members.”

## Learning in Harmony Trust News

The NASUWT met with LIHT this term and consulted on the disciplinary and capability policies. Although changes were made to both policies, the NASUWT has not agreed the capability policy due to the timescales for support programmes. If you would like us to raise any collective issues before our next meetings in May or July, please contact us at [advice@mail.nasuwat.org.uk](mailto:advice@mail.nasuwat.org.uk).

If you have any individual concerns you would like confidential advice on, please contact the Member Support Advice Line on 03330 145550.

## Public Sector Equality Duty and Pay Progression Data

The Public Sector Equality Duty requires employers (including academies) to eliminate discrimination and advance equality of opportunity for all staff, particularly those with a protected characteristic. Last year, the NASUWT requested data from LIHT on whether teachers with protected characteristics were being rewarded equally; however, LIHT did not submit the requested information. The NASUWT strongly urges the LIHT Trust to provide the statistical data to demonstrate how it is meeting its statutory requirement under the Equality Act 2010.

## Pay Progression

Were you eligible for Pay Progression and did you succeed in moving up the scale this academic year? This is a good time of year to check your pay slips and ensure they are accurate. Check you are being paid accurately:

Main and Upper Pay Scale			
M1	£23,720	UPS1	£36,646
M2	£25,594	UPS2	£38,004
M3	£27,652	UPS3	£39,406
M4	£29,780		
M5	£32,126		
M6	£35,008		

Pay scales for School Leaders, Lead Practitioners, Unqualified Teachers including London Pay Scales; and TLR and SEN allowances are available at: <https://www.nasuwat.org.uk/advice/pay-pensions/pay-scales.html>.

Please note that LIHT Trust are paying those on the leadership pay range a 2% rather than a 1.5% cost of living uplift, therefore the range will be higher than the NASUWT pay scale for leadership.

You should have received a letter from your employer confirming your pay determination this year and whether you have progressed on the pay scale.

## Performance Management/Appraisal Update

### Are you on course to achieve your Performance Management (PM) Objectives?

This term is the ideal time to check you are on target to achieve your PM Objectives. Check that you have your planning statement to hand and that you have received the written evaluations for your PM observations. If you think there is an impediment to your achieving your Objectives due to factors which are outside your control, now is the time to raise this in writing with your line manager. If you are leaving the school at the end of term/year, ensure that your Objectives are signed off and you have copies of your paperwork ready to take when you leave. It is good practice to keep a record of your appraisal documentation.

For advice on successful appraisal, read: *Taking Control of your Performance Management* at [www.nasuwat.org.uk/performancemanagement](http://www.nasuwat.org.uk/performancemanagement).

## Data

The Department for Education (DfE) Workload Advisory Group has published its conclusions on the use of data in the setting of targets for pupils and its wide use in performance management. Unsurprisingly, its conclusions uphold the long-held position of the NASUWT regarding the inappropriate use of data to judge teacher performance. Please see our summary of the Advisory Group's conclusions on: [www.nasuwat.org.uk/workload](http://www.nasuwat.org.uk/workload).

## Keeping to the Directed Time Calendar

### Calendar, Timetabling and Directed Time

NASUWT Representatives and members should have been consulted on the calendar, to ensure that the timetable of meetings is within the 1,265 hours' directed time contractual limit. This is a good time to check that extra meetings are not creeping into the published timetable.

Information on directed time is available at:  
[www.nasuwat.org.uk/directedtime](http://www.nasuwat.org.uk/directedtime).

**Workload** – The DfE has recognised that workload is one of the main reasons teachers are leaving the profession. The NASUWT has contributed to three reports aimed at cutting down workload in three key areas: marking, data and lesson planning. For example, the **DfE report, *Eliminating unnecessary workload around marking***, clearly states: '*Marking – providing written feedback on pupils' work – has become disproportionately valued by schools and has become unnecessarily burdensome for teachers.*' The report gives a number of recommendations on cutting workload around marking, and references the Ofsted requirements. Schools are challenged to cut down workload relating to marking in order to make it '*meaningful, manageable and motivating*'.
