

THE PIPO APPROACH

What is the PROBLEM?

Remember that there may be more than one problem to tackle.

Remember that the problem presented to you might hide a deeper problem.

What INFORMATION do you need?

Information from written sources.

Information from people.

What is your PLAN?

How will you use the information to tackle the problem/s?

What advice do you need?

ORGANISE

Is the issue deeply and widely felt?

Is the issue winnable? Will it result in a visible improvement?

Will it raise the profile of the Union and build solidarity?
